CERTIFICATE

Certificate Registration No: 951 20 5176

The Certification Body of
TÜV SÜD AMERICA INC.

Certifies that the organization

Applied Materials Inc
3325 Scott Blvd. Building #50
Santa Clara, CA 95054 USA

for the scope

Design, Manufacturing & Management of Services Provided to the Global Semiconductor, Display, Solar Photovoltaic (PV) and Related Industries for Improving Device Performance, yield & cost using broad set of capabilities in materials engineering and technology

Including the sites see enclosure

has established and applies a Quality Management System.
An audit was performed and has furnished proof that the requirements according to

ISO 9001:2015

are fulfilled.

The certificate is valid from June 22, 2022 until June 21, 2025
With a re-issue date on January 23, 2023
